

PRESS RELEASE

PSA 6 to Conduct 3rd Quiz Bee Regional Elimination on 20 September 2023

Date of Release: 15 September 2023
Reference No. 2023-PR14

The Philippine Statistics Authority Regional Statistical Services Office (PSA RSSO) VI announces the conduct of the 3rd PSA Quiz Bee Regional Elimination. The said activity will be on September 20, 2023, 1:00PM at RDC Hall, National Economic and Development Authority Regional Office VI. The competition will also be livestreamed via the Official PSA RSSO VI website at <https://www.facebook.com/psa6govph/>.

The PSA Quiz Bee was introduced as an alternative to the traditional Philippine Statistics Quiz (PSQ) during the Coronavirus-19 pandemic. The event involved contestants from various Regional Statistics Committee (RSC) member agencies. With its success, the PSA in coordination with the Regional Statistics Committees (RSCs) decided to continue the annual tradition, leading to the 3rd PSA Quiz Bee this year.

In Western Visayas, a total of 36 agencies, local government units, academe and private institutions comprised the RSC. The winner of this elimination will represent Region VI and will compete in the National Finals scheduled on 05 October 2023 in Metro Manila. This event will reinforce the importance of data-driven decisions and statistical literacy for national development.
