NOTES:

- 1/ The list of indicators were updated based on the approved PSA Board Resolution No. 2, series of 2023, "Approving and Adopting the Refined List of the Philippine SDG Indicators" and PSA Board Resolution No. 10, series of 2023 "Approval and Adoption of the Amendments on the Refined List of the Philippine SDG Indicators".
- 2/ The change of the baseline year to 2015 was based on the recommendation of the UNESCAP to account the accomplishment from MDG, as well as starting point of SDG. Further, this is to be comparable to other countries which mostly adopted 2015 as the baseline year.
