## PSA Iloilo Conducts Extensive Saturation Drive to Ensure Everyone Is Accounted for in 2024 POPCEN-CBMS

Date of Release: 23 January 2025  
Reference No. PR-2025-002

*PSA Enumerators conducting house-to-house interviews for the 2024 POPCEN-CBMS*

The Philippine Statistics Authority (PSA) successfully completed the 2024 Census on Population and Community-Based Monitoring System (POPCEN-CBMS) in the Province and City of Iloilo in December 2024. To ensure the accuracy and reliability of the data, PSA implemented stringent quality control measures, including close supervision and spot-checking interviews during the enumeration process.

Following data collection, PSA conducted Map and Data Processing, a critical step involving the review of raw data to identify and correct any errors or inconsistencies, thereby ensuring accurate and dependable results. This process is essential for maintaining the integrity of the data collected.

Additionally, PSA Iloilo Provincial Statistical Office carried out saturation activities across the province and city of Iloilo. These initiatives aimed to verify initial findings and ensure that every household and individual was properly accounted for.

Subject: Press Release – PSA Iloilo Launches Extensive Saturation Drive for 2024 POPCEN-CBMS

Date: 23 January 2025

PSA encourages the public to report any households or individuals who may have been missed during the census. If you know anyone who has not yet been enumerated, please inform your barangay officials or contact the PSA directly at (033) 327-9219 or 509-9620. You can also email them at [iloilo@psa.gov.ph](mailto:iloilo@psa.gov.ph).

Through these comprehensive measures, the PSA remains committed to providing high-quality data that empowers policymakers, researchers, and stakeholders to make well-informed decisions for the betterment of communities.
