Q2 2025: GUIMARAS PUSHES FORWARD WITH NATIONAL ID ENROLLMENT PSA sustains efforts toward full provincial coverage of National ID System

The Philippine Statistics Authority (PSA) Guimaras achieved significant progress in the second quarter of 2025, successfully registering thousands of residents for the National ID system. This milestone was reached despite challenges in certain areas, as part of the agency's ongoing efforts to ensure full province-wide inclusion in the program.
